# SUITES AND ROOMS

---

*Following an extensive renovation of all five floors of the hotel, with its 156 elegant rooms and luxurious suites, this traditional grand hotel is now more splendid than ever.*

No two rooms are alike; each one is a unique masterpiece. The jewel in the crown is the Bel Etage: after all, the rooms and suites on the fifth floor boast balconies with a breathtaking panoramic view of the Alster lake and are the perfect place to relax and unwind. The new and contemporary design in keeping with the aura of a grand hotel creates an exceptionally refreshing appearance, with different colour schemes brought to life in an effective yet subtle manner in the rooms. Light cream shades harmonise beautifully with splashes of gold, kiwi, bluish grey, crimson, blackberry and lilac. Sophisticated materials and expert craftsmanship do justice to even the most exacting demands.

The deluxe double rooms offer plenty of space and either a quiet courtyard location or a view of the Inner Alster lake.

## PENTHOUSE SUITE

Here you will reside on the top floor and enjoy a balcony, a spacious living area and generous bathrooms.

# ADMIRAL'S SUITE

A suite that combines more than 120 years  
of history with modern-day comfort.

# RALPH LAUREN SUITE

How superstars live – designed exclusively for the Fairmont Hotel Vier Jahreszeiten.

Live like a superstar –  
95 square metres of American  
glamour and timeless elegance.

## RALPH LAUREN SUITE

With furnishings and accessories from the Ralph Lauren collection, every detail bears the designer's creative signature. This unique suite is a home from home for anyone who loves the style of Ralph Lauren. You will be warmly welcomed with a bouquet of roses, a bottle of Dom Pérignon and a bowl of M&M's (Ralph Lauren's favourite chocolate) – the designer himself would approve.

## OUR BATHROOMS

Eternal beauty in all our rooms and suites.

# RESTAURANTS AND BARS

---

*The range of culinary delicacies in our hotel is so diverse that you'll find perfection for your palate without even having to step outside.*

In its exquisite restaurants and bars, the Fairmont Hotel Vier Jahreszeiten offers top-notch international cuisine to satisfy all tastes. Take Restaurant Haerlin, for example, with its two Michelin stars, the GRILL with its original art deco design and the hip and fashionable NIKKEI NINE restaurant. The culinary experience is rounded off with the classic Jahreszeiten Bar, the NIKKEI NINE Bar, Café Condi and the Jahreszeiten Terrace. The Condi Lounge or the 'Wohnhalle', with its very British afternoon tea, are also well worth a visit.

## CAFÉ CONDI

The legendary Café Condi is famed for serving the best breakfast in Hamburg. Whether an à la carte, continental or buffet breakfast, there is no better way to start the day.

The extensive breakfast buffet offers enough choice to satisfy all wants, needs and tastes.

## RESTAURANT HAERLIN

Having been awarded two Michelin stars, 19 Gault&Millau points and 4½ Fs from Feinschmecker, the Haerlin gourmet restaurant is renowned in both Hamburg and beyond.

## GRILL

A very warm welcome to our GRILL, a place where tradition meets modernity, combining a century of history, design and culinary mastery. Immerse yourself in a unique setting and experience the breathtaking artistic ambiance of our GRILL by Hamburg's Inner Alster Lake.

## NIKKEI NINE

Our Asian restaurant delights diners with an incredible selection of culinary delicacies. Sample a fusion of Japanese and South American cuisine – right here on the banks of the Alster.

Atmospheric lighting and the pleasant music played by DJs accentuate the exclusive ambience of the NIKKEI NINE Bar.

## JAHRESZEITEN BAR

Whether for an aperitif or a digestif – many guests start or end their perfect evening here. Beverage Manager Enrico Wilhelm not only mixes classic and international cocktails, but also offers a sophisticated selection of 70 whisky varieties and 25 gin varieties, not to mention the odd rarity.

Gleich neben dem Eingang liegt die einladende Jahreszeiten Bar über zwei Etagen und mit Blick auf die Alster.

DER  
**FEINSCHMECKER**

wählt das Fairmont Hotel Vier Jahreszeiten in Hamburg auf Platz 1 der 20 besten Stadthotels in Deutschland 2016.

1 Fairmont  
Vier Jahreszeiten  
Hamburg

Die Nummer eins in Deutschland. In keinem anderen Grandhotel wird die Verbindung von Historie und Moderne, Luxus und Understatement, Hightech und Genuss in allen Bereichen nicht nur blumig angepriesen, sondern auch so überzeugend gelebt wie im Traditionshaus an der Binnenalster. Tablets in den stilvollen, zeitgemäß-klassischen Zimmern sind ebenso selbstverständlich wie schnelles WLAN. Der Spa in der fünften und sechsten Etage gehört mit seiner einzigartigen Atmosphäre ebenso zu Hamburgs besten Geheimtipps wie die Dachterrasse mit luftigen weißen Loungemöbeln. Der Service ist formvollendet, und kulinarisch belegt das Hotel mit dem „Haerlin“ den Spitzenplatz im ganzen Norden – Deutschlands schicksten chef's table gibt es hier auch. Der „Jahreszeiten Grill“ und das „Condi“ sind Institutionen, die Wohnhalle sucht mit ihrem hanseatischen Salon-Flair ihresgleichen, und im Sommer sitzt man auf dem Ponton auf der Binnenalster fast mit den Füßen im Wasser. Viel mehr geht nicht.
