

CONDI LOUNGE

Dear guests,

Welcome to our Condi Lounge. Our team will take you on a culinary journey into the world of high-quality pâtisserie art with fine tartlets and traditional pastries from our own bakery. Enjoy fine creations from the signature of our chef-pastry duo Michael Mikolajczak and Rebecca Schreiber.

Start your day with a well-balanced classic breakfast and enjoy our varied offer. Whether a healthy Salad or a freshly prepared sandwich: In our Condi Lounge you are also for lunch time at the right address.

Everything our hotel has to offer, our guests will find here for the home. Variations on the finest Swiss art of chocolates from the Confiserie Sprüngli, home-made jam, high-quality oils, exclusively for the Hotel Vier Jahreszeiten created white and red wines- all with a personal touch of our house.
